

TEAM DAY - CRISIS CARE KITS AND SCHOOL PAL PAK COLLECTION

We will be collecting Crisis Care Kits (CCK), and School Pal Paks (SPP) at Team Day.

Please go to <http://nmi.nazarene.org/10096/story.html> for full instructions and promotional ideas. It is very important that the instructions are followed completely and that each CCK and SPP are packed and properly boxed.

NEW SIMPLER COMBINED PAYMENT

In the past, we have charged a \$5 per box fee to pay for transportation. In addition, each church was to send \$12 per CCK box or \$10 per SPP box to the Global Treasury Services for each box. Unfortunately, for several years now, the per box fee has not raised enough money to adequately cover the cost of transporting the boxes to drop off location.

To simplify payment processes for our churches and to provide adequately for the transportation we are instituting a **NEW COMBINED PAYMENT**.

CCK Box - Fee \$20 per box (\$12 Global Treasury Service fee and \$8 Transportation fee)

SPP Box - Fee \$18 per box (\$10 Global Treasure Service Fee and \$8 Transportation fee)

Michigan District NMI will send the amount into the Global Treasury Service and make sure your church receives the 10% credit for the donation. The remaining \$8 will cover the cost of transporting the boxes to the drop off center.

To help us in our record keeping please fill out the bottom portion of this form and bring it with your payment to the drop off site at Team Day.
